

Artists selected for MAPAS 2022

250 projects have been chosen to participate in the market: 143 from the performing arts sector and 107 from the music sector. This includes the artists selected to participate in the networking events and those who were invited to perform at the showcases.

Artists selected for the networking events

237 artists have been selected to participate in the networking events: 137 from the performing arts and 100 from the music sector. 57 of the artists are from the Canary Islands.

25 agencies, including 5 from the Canary Islands, were also selected.

Their names are listed below in alphabetical order.
